**Part X - FIN 48 Footnote**

The Corporation is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Corporation applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, The Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an

income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of September 30, 2019 and 2018 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Facility 1, Jasper Memorial Hospital - Part V, Line 3e

The prioritization of significant health needs of the community is identified and the methodology for prioritizing each need is described on page 13 of the 2019 CHNA.

Facility 1, Jasper Memorial Hospital - Part V, Line 5

The community health needs of residents within Jasper County were identified through in-depth interviews with a broad range of advocates representing the interests of the community including public health representatives, community leaders, physicians, school health, and other health care providers. Input is gathered via face-to-face interviews and an on-line community survey.

Facility 1, Jasper Memorial Hospital - Part V, Line 11

Based on the collected interviews, expertise, and feedback from this group of advocates representing the interests of Jasper County and analysis of available health data a list of community health needs was developed. There was significant consensus around seven specific community health needs, based on the unprompted frequency that these needs were identified by participants.

-prevention of heart and vascular disease

-awareness and access related to mental and behavioral health disorders

-prevention, screening, and early detection of cancer

-obesity, nutrition, and exercise

-risks of tobacco use

-improve access to clinical care by reducing economic barriers to care

-improve transportation assistance for non-emergency medical appointments

Each of the seven identified health needs have been evaluated and prioritized by input from key informants and the JMH leadership team.

Health needs were prioritized based upon the scope and severity of the issue. Each need was evaluated based upon the priority of the issue, the fit with the JMH mission, the ability to achieve improvement, and the availability of resources. Five of the seven identified health needs were selected for implementation.

Two identified health needs will not be addressed in the implementation plan. While transportation difficulties do impact access to care for a small percentage of the Jasper County population, non-emergent transportation falls outside the scope and mission of JMH. Due to resource constraints, JMH is unable to address this need at this time.

An individual's access to clinical care and treatment options, is impacted by economic constraints. JMH will continue to participate in Medicare, Medicaid, and other government programs. Efforts are made to educate our patient population about insurance coverage and payment options for their care. As part of its mission to the community, JMH provides discounted and free care based on federally set income levels.

A copy of the CHNA and implementation plan can be found on the

Pursuant to a lease and transfer agreement dated July 2, 1999, The Hospital Authority of Jasper County leased its facilities and transferred its operating assets, as defined in the agreement, to Oconee Regional Medical Center, Inc. (ORMC). In an assignment agreement dated January 1, 2000, the ORMC assigned the lease to Jasper Health Services, Inc.

On May 10, 2017, ORMC filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Middle District of Georgia. The bankruptcy proceedings were resolved on October 2, 2019. See below for additional information. At fiscal year-
